At the end of 2023-2024, CAPCL will have the first graduating class of learners who are confident and competent, responsible and self-motivated. They are ready for the next stage of their learning in Grade 7 and onward. With a solid moral compass, they value Christian principles and apply their knowledge and skills to serve others. They are fluent in English and Chinese and agree that learning at CAPCL is relational, relevant, and rigorous.

Throughout these four years, CAPCL learners are encouraged to be Christ ambassadors who are characterized with the belt of **truth**, the breastplate of **righteousness**, the helmet of **salvation**, the shield of **faith**, the sword of the spirit which is the **word** of God, and shoes fitted with the **gospel of peace**. With these attributes, they fulfill the motto of the school: Be an example in speech and behaviour, in faith, love, and purity.
