

Bible

Drawing on various stories from Scripture, the Preparatory students learn the Story beneath all the stories in the Bible, pointing to Jesus as our Savior. From the Old Testament through the New Testament, as the Story unfolds, children will clearly see that Jesus is at the center of God's great story of salvation and at the center of their story too.

Health: Personal and Social Responsibility

I know how to act and how to work and play with others. Preparatory children develop ways to express their feelings positively and to show respect and care for others. Trying new things and taking risks give them confidence in their ability to learn so they take responsibility for completing activities.

Physical Education

A healthy body is part of a healthy life. Your child will begin to develop a love for physical activity through movement, games and activities. They will use a variety of equipment and see that they have the power to make healthy food choices and play safely.

Music and Art: Creative Expression

Beauty is in the eye of the beholder! Drama, art, music and dance give your child ways to express their ideas and feelings, to bring their imagination to life and to see their creativity in a variety of forms. Your child will respond to objects and art, explore music and movement, and develop confidence through drama.
